Dear Friend:

Friends of Country Day is excited to be hosting the 6th Annual “Evening with Friends” Winter Social and Art Auction on Saturday, February 11, 2012 at the Bayou Club in Largo. Proceeds from this event will benefit the students at Country Day School. All funds will be used to enhance the learning environment of all the children at Country Day through the purchase of items for the classrooms, teacher workshops, educational field trips, school community events and more.

We are seeking the help of local businesses in gathering items to be used for a silent auction and raffle to be held in conjunction with the live art auction. Please join us in our effort by contributing an item or gift certificate for goods or services. Friends of Country Day is a non-profit organization so any contributions made to our organization are completely tax-deductible.

Thank you so much for your support. If you would like to attend our fun event you may purchase tickets by calling Dawn LeBlanc at 727-463-3337. Don't miss the opportunity to participate in this outstanding event. Thank you in advance for your support.
